

2014 Pace of Play Program

Time Par

Front 9 = 2 hours and 5 minutes

Back 9 = 2 hours and 5 minutes

18 holes = 4 hours and 10 minutes

1. Play the tees that are right for you and *Tee it Forward* for more fun!

Men:

- Blue Tees Handicap of 0 to 3
- White Tees Handicap of 4 to 10
- Gold Tees Handicap of 11 and over and Seniors (55 and above)

Ladies:

- Gold Tees Handicap of 0 to 10
- Red Tees Handicap of 11 and over and Seniors (55 and above)

2. Most importantly, keep up with the group in front of you. Groups that are holding up the course will first be asked to speed up, then they will be asked to skip a hole and/or allow faster groups to play through.
3. Watch the drives of all players in your group and mark wayward shots by landmarks such as trees or bunkers to help find the balls. Play a provisional ball if there is a chance that the first ball may be out of bounds.
4. Use the newly installed yardage markers or your range finder to determine your distance and make your club selection before it is your turn to play...then play your shot within 20 seconds of your turn to play. Please remember that the Rules of Golf allow you to share information about the yardage with your fellow players with no penalty.
5. Play "Ready Golf" and hit your shot when it is clear up ahead, even if you are not the farthest from the hole
6. When using a cart, drop off the player whose ball is farthest from the hole and leave them with a few clubs while proceeding safely up to the next ball in order to get ready to play the shot as soon as the first player plays their shot.
7. If walking to your ball without your golf bag, bring a few clubs that you think you may need to hit the shot.
8. Up near the green, park the cart on the side or behind the green and wait to mark the scorecard until you get to the next tee.
9. On the greens, line up your putt while others are putting and be ready to putt when it is your turn. For short putts, always putt out (rather than mark your ball) if not standing in someone else's line of putt. If you brought wedges up to the green, leave them on the side of the green closest to the next tee so that you will remember them when you exit the green.
10. Please allow no more than five minutes between nines for the Snack Bar and Rest Rooms or be willing to forfeit your place on the 10th tee.
11. We encourage foursomes and suggest that threesomes, twosomes and single players pair up into foursomes to make the pace of play more consistent
